BRANDANI'S

— Restaurant & Wine Bar —

We are thrilled to bring you wines that we love from the world's finest growing regions.

We have enjoyed wine for many years and have always loved learning about the many growing regions, grape varieties and nuances of wine. If we've learned one thing, it's that there is always more to learn! Our list is evolving and growing constantly, and we hope you find a hidden gem that will delight your senses.

We've chosen the wines on our list based on what we enjoy drinking and what we hope are wines that will surprise and please your palate. We have a few favorites that we've noted with "Claire's Pick" and "Ron's Pick" and these are wines we both love, and we hope you do too!

We continually add new wines and have noted as such on the list. These are wines that we are excited to add to our list and hope you like them too. We also love to showcase wines that are made in small production that are hard to find and delicious. These wines are highly allocated, meaning they only produce and release a small amount each vintage.

We have noted those wines with a ✧.

Cheers!

Ron & Claire Brandani

All of our wines are available for retail sale! You can purchase a bottle or purchase a case & take your favorite home with you!
